By affixing my signature, I certify and agree to the following:

1. If I am awarded a scholarship, the money granted will be spent to support only educational expenses (tuition and/or textbooks/required technology). Any money not utilized for this program will be returned to the CIAS Hunter Brown STEM-ulate Learning Scholarship Program.
2. Upon expenditure of funds, I will provide the CIAS Hunter Brown STEM-ulate Learning Scholarship Program, with a brief written report describing nature of the expenditures, together with photographs if available.
3. Any promotional materials, press releases, or other media produced in connection with or to publicize the scholarship will note that it was funded in part or sponsored by the CIAS Hunter Brown STEM-ulate Learning Scholarship Program.
4. A record of all expenditures, together with copies of legible receipts, will be maintained and submitted to the CIAS Hunter Brown STEM-ulate Learning Scholarship Program, on the appropriate forms by January 21, 2024 unless an extension is granted by prior mutual agreement. If records are not received, recipients will not be eligible for future STEM-ulate program funding.
5. The CIAS Hunter Brown STEM-ulate Learning Scholarship Program, may use information regarding this application (name, photo, school, etc.) for publicity purposes.

Signature of Student: _____ Date: _____

Signature of Parent: _____ Date: _____

CIAS Hunter Brown STEM-ulate Learning Scholarship Program Grant Application

Deadline: May 8th, 2023 – 5:00PM

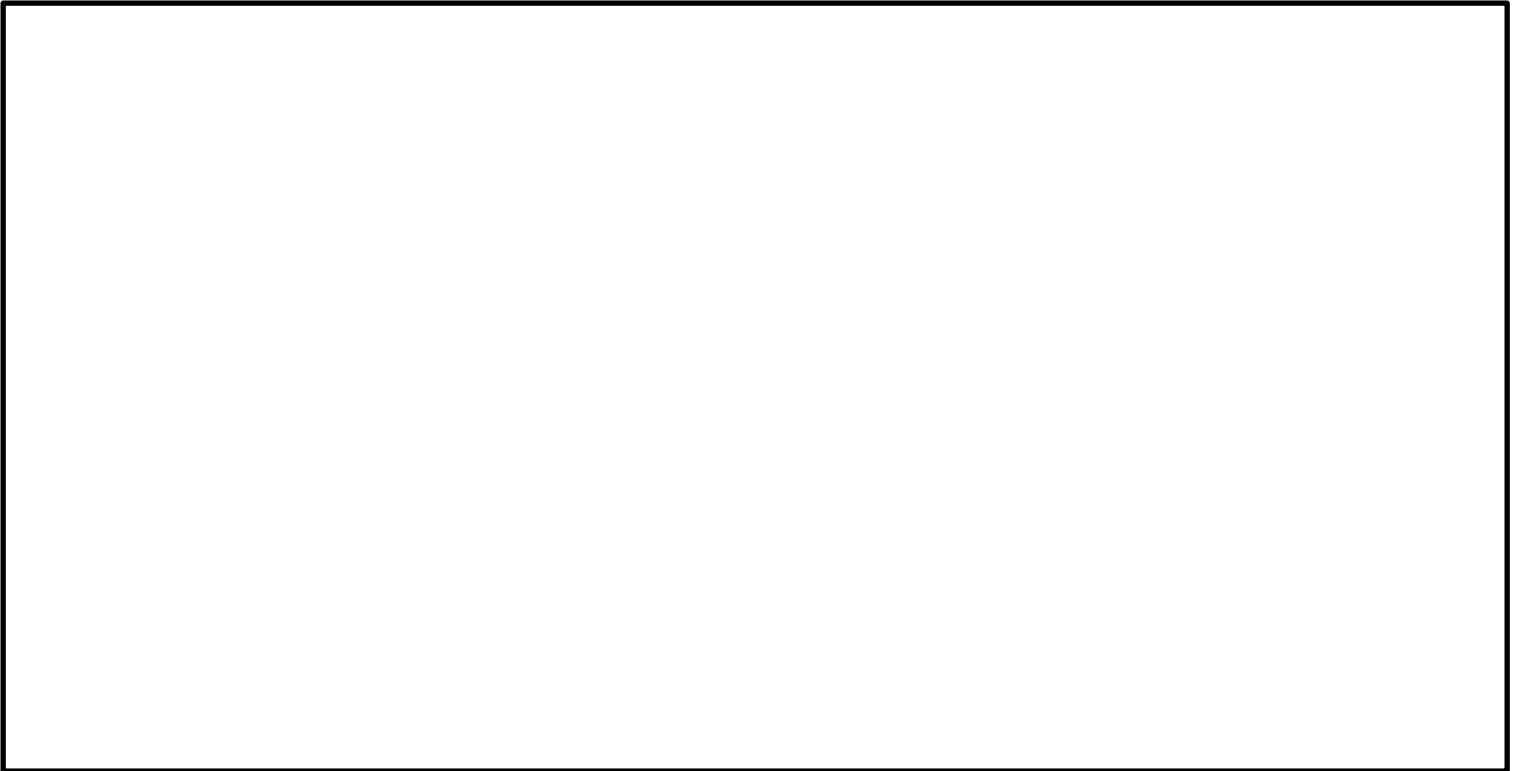

Applications must be typed and completed in full, including signatures from applying student and parent/guardian. Handwritten, illegible or incomplete applications will not be considered. Each response must fit in the box provided. Use a standard 11-point font.

Please email a copy of your high-school transcript (Personally Identifiable Information such as your SSN and address should be redacted).

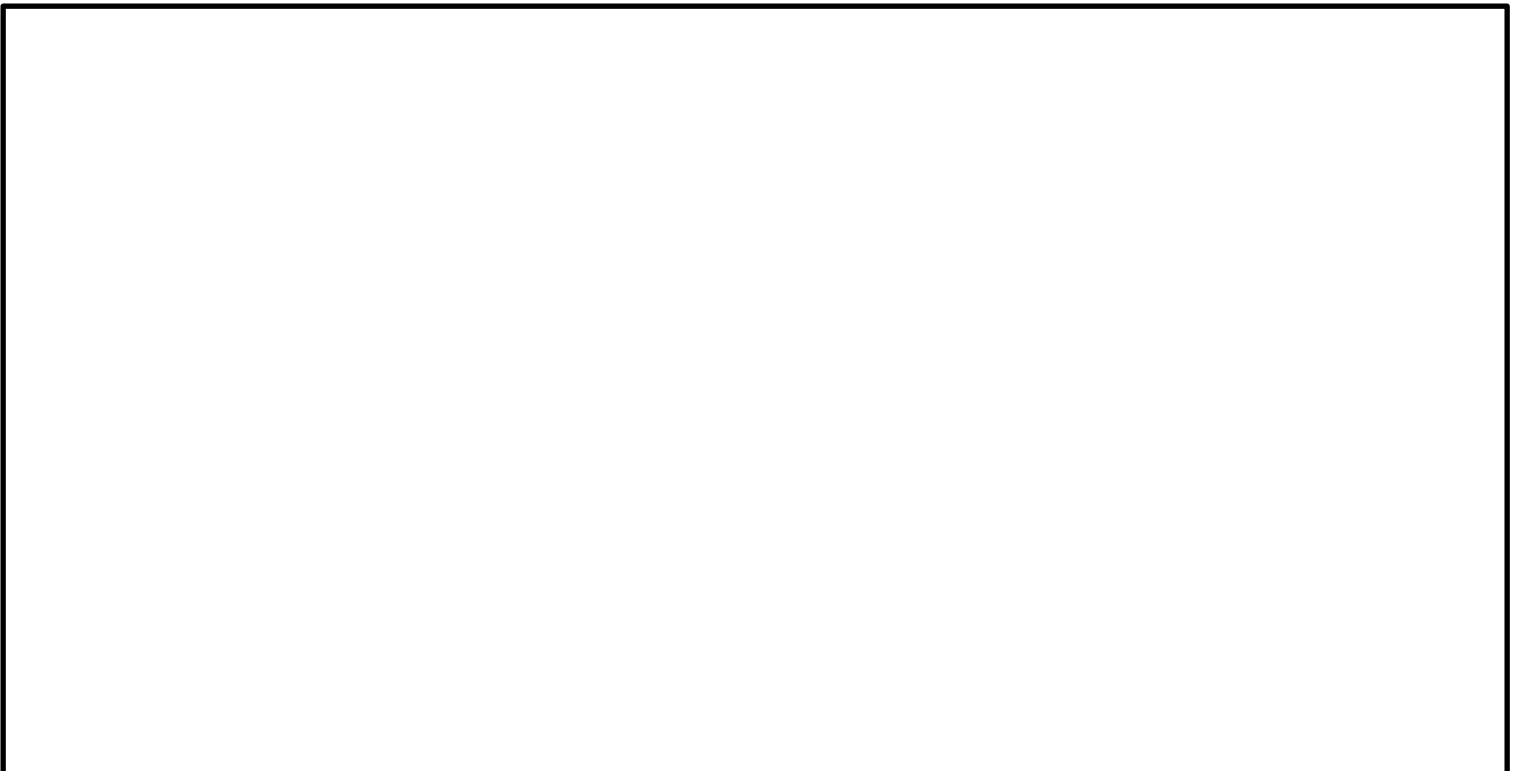

Responses should be in paragraph form and should demonstrate appropriate composition skills. Be sure to proofread your responses before submitting. Grammar, usage, spelling, and mechanics will be a part of the selection process.

1. Where do you plan to attend college/technical school? What do you plan to study? Why did you choose this STEM-related field?

2. How will you utilize your STEM-education? What career do you plan to pursue?

3. Why are STEM-related subjects (classes) important? How can we improve access for all students to STEM-related classes?

4. What are the three most important qualities (character traits) a person needs to be successful in life? Explain why each quality is important and provide personal examples (anecdotes).
